Job Summary

The Customer Experience Steward is responsible for giving the customer an outstanding, excellent, first class experience. This role is a front line role which means you are required to be patient with customers whilst they decide upon their orders, take accurate orders and fulfill the orders efficiently. To be successful in this role you must have a deep love for people and have patience with people because you know that everyone processes information differently. You are heartwarming and very innovative. You understand that you can cash and/or work the floor interchangeably.

Job Description

Meet and greet customers with a pleasant smile at all times

Take and fulfill customers orders accurately and efficiently

Record and account for daily sales

Create inventory orders and receive stock

Carry out stock audits at the start and end of work day

Provide customers with samples where necessary

Ensure your work environment is sanitary and clean

Dispose of waste (inside and outside) regularly

Your Strengths Includes

Certificate / Diploma in Food or Hospitality Industry

Minimum 2 years experience in customer service

If you do not have 2 years experience nor the certifications, you are still welcomed to apply BUT you must meet all the other requirements.

Good Police Certificate of Character

Have a food badge

Love serving and working with people

Have a lot of patience in dealing with customers and colleagues because you understand everyone learns and processes information differently.

Get annoyed when customer experience is below standard, strongly dislike when establishment's staff is on the phone whilst being attended to and get irritated when staff is having their own personal conversation whilst you are standing in line waiting to be attended to.

You are very innovative and lead projects single handedly.

Teachable and willing to learn

Take pride in your work and understand that a good name is better than silver or gold.
