VACANCY

CLINICAL INSTRUCTOR

FULL TIME AND PART TIME

COSTAATT invites suitably qualified persons to apply for the following vacant position in the Department of Nursing:

Clinical Instructor - Nursing

The Clinical Instructor - Nursing will facilitate the achievement of targeted learning outcomes by teaching, supervising, mentoring and coaching students in a variety of clinical settings. Accordingly, he/she must also be able to work collaboratively and professionally with healthcare providers within the public and private healthcare systems in Trinidad and Tobago.

Requirements:

- A Bachelor of Science in Nursing degree;
- Post-graduate training and certificate in education or a nursing specialization will be considered an asset;
- Registered Nurse (RN) with the Nursing Council of Trinidad and Tobago;
- Previous work experience in a clinical setting at the level of Senior Nurse;
- Evidence of at least three (3) years' teaching experience in an approved clinical setting.

Applications by:

September 19th 2022 and submitted to
 Vice President, Human Resources
 Human Resources Division
 COSTAATT
 Central Administrative Services, Chaguanas Campus
 Pierre Road Connector, Chaguanas
 Or via e-mail: hr@costaatt.edu.tt

Unsuitable applications will not be acknowledged.

COSTAATT
 College of Science, Technology & Applied Arts of Trinidad & Tobago

TRANSFORMING LIVES, TRANSFORMING COMMUNITIES, TRANSFORMING THE NATION...ONE STUDENT AT A TIME.

18. Estimator Vacancy

Estimator Vacancy

Location: Chaguanas

Our Company is looking for suitable persons to fill the role of Estimator. The ideal candidate will be fluent in mathematics and accounting, with in-depth knowledge of research and data analysis methods. In addition to being an excellent communicator, candidates should also be detail orientated with outstanding organizational skills.

Thank you in advance for reviewing the responsibilities and qualifications. We look forward to reviewing your applications.

Responsibilities of Estimator

Collate and Review Tender Documents and submission requirements in a timely manner, ensuring all financial information is identified in correspondence with the proposed design.

Consult with national and international suppliers on specific requirements and associated costs.

Collect different quotes from subcontractors, vendors, and suppliers.

Analyze company project's data, monitor budgets and prices.

Review and assess cost estimates.

Identify labor, material, costs and time requirements by analyzing proposals, project plans, blueprints, and any related documents.

Prepare detailed cost estimate reports.

Developing and maintaining relationships with company vendors and subcontractors.

Oversee the different stages of a company project to ensure that expenses follow the forecast plan.

Present complex and detailed reports to management.

Compiling and recording actual costs of ongoing/finished projects.

Qualifications

A minimum of 5 years' experience as an estimator or similar role.

Strong mathematics and IT abilities.

Proficient in relevant software including MS Office Suite.

Excellent presentation and communication skills.

Strong problem-solving and analytical abilities.

Working knowledge of Excel spreadsheets and word processing programs.

Understanding of construction documents.

Ability to read and interpret blueprints.

Ability to coordinate and work independently.

Knowledge of AutoCAD, Sketchup and Revit software.
